Capability Statement

Angel Electric LLC is a **Service Disable Veteran Owned Small Business**, with two divisional departments. **Division I** entails electrical service, maintenance and construction. **Division II**, fire alarm, security, and network data. Our skilled workforce enables a timely and successful completion of government, municipal and commercial industry construction projects.

We have over 30 years of “hands-on” experience servicing industrial & commercial General Contractors, engineering constructors, federal and state government agencies and, various utility agencies and suppliers. We are widely acclaimed for our **Collaborative Best-Value Solutions**.

What sets Angel Electric apart from the competition?

- ✦ **Partnered Solutions:** We collaborate with the Owner, General Contractors, Engineers, and Utility Companies to create custom solutions.
- ✦ **Diamond Standards:** Revered for our professionalism and industry expertise
- ✦ **Experience:** We possess comprehensive experience in the electrical industry, in addition to project management and facilitate industrial & commercial guidance for efficient electrical and life safety systems.
- ✦ **Products:** We install a variety of products from trusted brands and manufacturers.
